RURAL BUILD PROGRESS

We are excited to continue building in the rural communities. We have closed 3 homes in Grape Creek, currently have 3 under contract.

We are starting our first build in Miles, Tx.

We have closed one home in Bronte, TX and have one home under contract.

We would like to remember Floyd Crider and wish him a heavenly 72nd birthday. Floyd was the founding member of Galilee CDC in February of 2000. Through his vision we have been able to create affordable housing for low income, repair senior citizens homes and have grown to help as many individuals as we can. We will be forever grateful for your vision. Happy birthday.
