

Galilee Community Development Corporation

2021 was a year of challenges but even greater blessings. Galilee CDC kept the doors open and served this community through the pandemic and Winter Storm Uri. Staff and contractors jumped in to serve when pipes froze and HVAC systems went out. We had contractors out at 177 homes over a 4 week period making repairs free of charge to help households in need. We continued to work through the material crisis and rising construction costs to close 14 homes, remodel 129 homes and finished a full house flip, a first for Galilee! We are enjoying our new office building and are fully staffed. We look forward to 2022 and how we will get to serve this wonderful community.

Best wishes for the New Year!

We had an excellent turnout for our 9th Annual Lone Wolf Run. We're so grateful to our sponsors, participants, and volunteers for making this such a successful event!

STAFF SPOTLIGHT: MARKETING

Krislenn Taylor joined the Galilee CDC team in June 2021.

She is a beautiful, funny Mom of two boys and wife to her husband of 11 years. She homeschools her two children and raises animals on their small homestead.

Fun Fact: Krislenn also loves to work on DIY remodeling projects with her husband in their fixer upper home.
