

Adopt-a-House

On a typical Blitz weekend, over 400 volunteers work on repairing 30 homes for our San Angelo and local rural elderly. While some homes need more repairs than others, we spend an average of \$750 per home. Financial support is essential. Businesses and individuals are encouraged to take part in these sponsorships. You can make a difference!

Levels of Sponsorship

\$750 - Whole House

- Receive framed picture of a restored home to display at business
- Listed on the Website
- Highlighted on Facebook post
- Name of business/individual on the Helping Hands T-shirt
- Option to choose the home that your business wants to adopt
- Company banner displayed at the adopted home during blitz

\$500 - Exterior of House Sponsor

- Receive framed picture of a restored home to display at business
